#### Math 10

- Notebook

**\*\*Note:** Students will take notes in their workbook. A notebook will be needed for homework and other activities.

- No calculator necessary

**\*\*Note:** Students are not allowed to use their own calculator on the ISTEP test. For this class, students will only use the calculator available to them on the ISTEP. We will access it on Chromebooks.

#### Geometry

- 2" three ring binder

**\*\*Note:** Students will be given typed notes. Keeping them and other handouts organized and in one location is crucial. Make sure the binder is sturdy or it may not hold up.

- College or Wide Ruled Filler Paper

**\*\*Note:** A notebook isn't necessary. Paper will be needed for homework assignments.

- Scientific Calculator (TI-30X IIS or TI-30XS MultiView recommended)

- 3x5 Notecards

**\*\*Note:** Students may want these to use to study definitions, theorems, and postulates. Students may also use a notecard to assist them with quizzes.

### Quantitative Reasoning
